Past Club President Website Welcoming Messages

2010-2011 Administrative Year

Welcome to the Exchange Club of Columbus' web site. As a group of civic minded, service oriented citizens, we are committed to making Columbus a better place to live.

No doubt you have already heard about our World Famous Foot Long Hot Dogs and our Annual Pancake Jamboree. Please take a minute to read about our Service Projects which focus on Youth Recognition and Development, Americanism, Child Abuse Prevention, and Community Service.

We are proud to be a Partner in Education with Marshall Middle School. Our Service to Youth programs include, High School Student of the Month and Student of the Year Awards, and the ACE Award program, which recognizes students who have overcome major obstacles in the course of achieving an education.

As strong supporters of public safety, we also recognize local law enforcement officers of the year and firefighter of the year. We also have programs that recognize exemplary citizens who proudly display their Americanism and who do other good deeds.

If you think we are a busy club, we are. If you share our values and would like to experience the excitement of Exchange, we definitely have a place for you. Please contact us for more information and a personal invitation to attend our next meeting.

Dan Scoggins
President, Exchange Club of Columbus
2010-2011 Administrative Year
